

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF KENTUCKY UTILITIES)	
COMPANY FOR AUTHORIZATION OF CHANGES)	
IN SERVICE TERRITORY WITH LOUISVILLE)	CASE NO. 92-543
GAS AND ELECTRIC COMPANY AND THE RURAL)	
ELECTRIC COOPERATIVE CORPORATIONS)	
HEREIN NAMED)	

O R D E R

On December 8, 1992, Kentucky Utilities Company ("KU") filed its application, pursuant to KRS 278.018(6), for approval of minor changes in service territories with Louisville Gas and Electric Company and the following Rural Electric Cooperative Corporations ("RECC"): Blue Grass RECC, Clark RECC, Fox Creek RECC, Harrison County RECC, Nolin RECC, Owen Electric Cooperative, Inc., Salt River RECC, Shelby RECC, South Kentucky RECC, Taylor County RECC, and Warren RECC. KU submitted contracts and new territorial maps with each affected utility signifying its concurrence in the changes to its respective territory. A summary of the boundary changes is set forth in Attachment A to KU's response to the Commission's January 29, 1993 Order.

The proposed territorial boundary changes represent either realignments of the original service territories to conform to property lines or situations where KU's existing facilities are closer to the proposed service location than the originally designated utility. No existing customer will be reassigned to a

different electric supplier as a result of the proposed territorial boundary changes.

Based on the application and being advised, the Commission finds that the proposed boundary changes will prevent wasteful duplication of facilities, avoid unnecessary encumbering of the landscape, minimize disputes between retail electric suppliers, and provide adequate and reasonable service to all affected areas. The Commission also notes that a few of the boundary changes were agreed to in 1990 and one in 1989. KU and all other electric utilities should ensure that such changes are promptly filed for our review.

IT IS THEREFORE ORDERED that the boundary changes set forth in Attachment A to KU's response to the Commission's January 29, 1993 Order be and they hereby are approved.

Done at Frankfort, Kentucky, this 8th day of March, 1993.
